TO WHOM IT MAY CONCERN,

This is to certify that **Paras Proach** has successfully completed an internship as a **Data Handler** at **Yesboss.ai**, in collaboration with **Laveric** from **June 2025 to July 2025**.

During this period, Paras contributed to multiple data handling initiatives, including data organization, validation, and management protocols for our AI-based projects. Paras demonstrated solid proficiency in data technologies, strong problem-solving skills, and a consistent ability to maintain data integrity, significantly benefiting our development process.

We sincerely appreciate Paras's dedication and enthusiasm and wish them every success in their future endeavors.

Best Regards,

**Dixit Kumawat**
